HOMAGE TO A GREAT LEADER

Kalaighnar Dr. M. Karunanidhi is remembered by millions, not just because he was Chief Minister of Tamil Nadu five times; or elected again and again from the same constituency 13 times; or for his relentless fighting for social justice; or for the autonomy of the States while also strengthening the Federal structure of the Nation; or for his mastery of Tamil and immense contribution to Tamil

language and literature, but also for providing efficient administration for the governance of the State of Tamil Nadu.

I have had the privilege of meeting him a number of times. I admire him more also for his simplicity, humility, culture, unfailing courtesy and hospitality.

This unique multifaceted personality will be remembered forever by the millions, particularly the few like me who had the privilege of knowing him personally and meeting him a number of times.

May the Departed
Soul Rest in Peace!
