Dear Dr. Kaarthikeyan,

I have received your illuminating statement about the Foundation for Peace Harmony and Good Governance. Our cosmos alas is in chaos. Violence, moral depravity and spiritual collapse are making our humanity suffer distress, disharmony and corruption. If we are to win back a world of values nothing short of a struggle is the desideratum. The paramount values enshrined in our Preamble must inspire society and create a new man and a new earth. To achieve this great objective you need your organization to battle for the preambular values eloquently expressed in the Preamble to the Constitution your conference is a sublime effort in this direction. I wish people everywhere realize the need for this radical project for a brave new world order.

Dear Kaarthikeyan, be its leader. Build a dynamic society in the luminous wonder of the Father of the Nation, Swami Vivekananda and Sai Baba.

With regards,

Yours sincerely,
