MESSAGE

I am happy to know that Foundation for Peace, Harmony & Good Governance (FGG) is organizing its Decennial Celebration on January 9, 2015 at India International Centre, New Delhi.

Since its inception, the Foundation has done commendable work in raising general awareness on issues of public interest and concern, such as good governance, sustainable development, electoral, administrative and judicial reforms etc. by organizing conferences, seminars, workshops and panel discussions. I am confident that it will continue its good work in the future.

I extend my greetings and good wishes to the Foundation for Peace, Harmony & Good Governance and the participants of the Decennial Celebration and wish the event all success.

(M. HAMID ANSARI)
